Hotel Cleaning Services Wins Contract with Sheraton Downtown Denver

Denver, Colorado, (August 2010) – Hotel Cleaning Services, a leader in the hotel cleaning and facility services industry, was recently awarded a beautiful 1,231 room hotel with SHERATON HOTELS & RESORT, one of the world's top hotel companies. The Sheraton Downtown Denver hotel is perfectly located on the 16th Street Pedestrian Mall, is near the heart of Denver's business and financial districts, and a simple 3 1/2 blocks from the Colorado Convention Center.

The Sheraton Hotel Denver had another long time hotel cleaning company over the past few years that had not lived up to their high standards and expectations. Hotel Cleaning Services, Inc. Customer Development Manager, Gene Montavon spent much time building a level of trust and confidence with the Director of Rooms and Sheraton's management. On August 1, 2010 Hotel Cleaning Services, Inc.'s housekeeping team began cleaning the hotel, both night and temporary labor. Within the first week Marc Blackford, Director of Rooms, sent an email indicating that *"I am really looking forward to working with HCS again! Thank you."*
